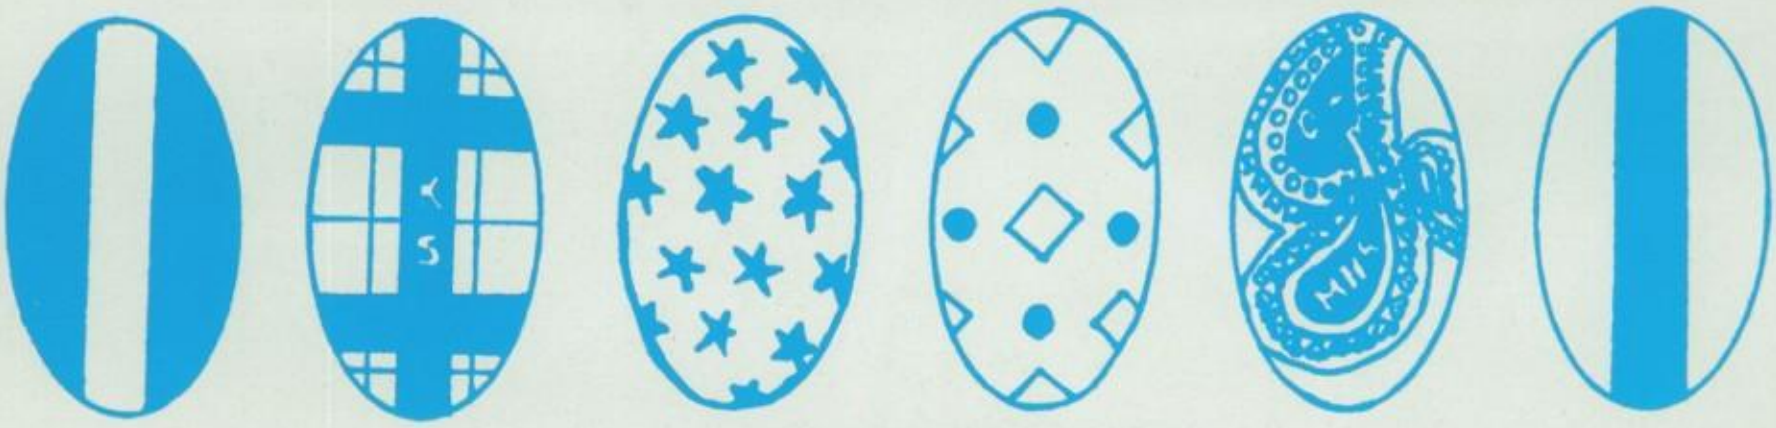
OBJECT: OF THE GAME

Patriot



PATRIOT PURSUIT

Life is just a game;
A simple game of choosing.
We'll never be the same;
Even when we're losing.

We are the pieces;
And God is the player.
If we do what He pleases;
We'll become His heirs.

Satan is His opponent;
Attempting victory.
But in the future moment;
He will be history.

As the pieces;
The choice is ours.
If we choose Jesus;
We'll win in the coming hours.

Move now, don't hesitate;
Choose the player who holds your fate.
In Satan we'll be sinners;
But God makes us winners.

THE MAN WHO THINKS HE CAN

If you think you are beaten, you are; If you think you dare not, you don't; If you'd like to win, but think you can't, It's almost a cinch you won't. If you think you'll lose you're lost, For out in the world we find →

success begins with a fellow's will; It's all in the state of mind. If you think you're out-classed, you are; you've got to think high to rise. you've got to be sure of yourself be-fore you can ever win a prize. Life's battles don't always go to the stronger or faster man; but soon or late the man who wins is the man who thinks he can.

THE ROAD NOT TAKEN

Two roads diverged in a yellow wood, and sorry I could not travel both and be one traveler, long I stood and looked down one as far as I could to where it bent in the undergrowth; then took the other, as just as fair, and having perhaps the better claim, because it was grassy and wanted wear; though as for that the passing there had worn them really about the same, and both that morning. →

VICTORY IN DEFEAT

Defeat may serve as well as victory
To shake the soul and let the glory
out. When the great oak is straining
in the wind, the boughs drink in new
beauty, and the trunk sends down a
deeper root on the windward side.
Only the soul that knows the mighty
grief can know the might rapture.
Sorrows come to stretch out spaces
in the heart for joy.

He dreamed he was walking along

This year the 1986 Patriot is dedicated to a wonderful man. He has been here since Maranatha started, which was in 1965, and has seen students come and go through the years. But the students weren't only given a good education, they were given advice by him that could be used throughout their lives. Communicating with students, having patience, understanding, and showing a good Christian attitude is what he deserves credit for. One teacher at Maranatha commented," He came to Maranatha my freshman year which was 21 years ago. Even though he was one of my teachers, he still would share his experiences with me and showed that he cared about me. In this way, he had helped me to grow closer to the Lord and made me feel the importance to do so." He has taught everything from World History to music appreciation and in the early years of Maranatha, was principal of the school. We proudly dedicate the 1986 Patriot to Mr. Jack Green.

Soon they'll be leaving to bring the gospel to the world in their own special way. No more Christian reinforcement everyday. This is the final test to see if they really have a strong foundation in Christ. Now it's their choice to pick which path they'll take. THE FRIEND WHO JUST STANDS BY

When trouble comes your soul to try,
You love the friend who just "stands by."
Perhaps there's nothing he can do-
The thing is strictly up to you;
For there are troubles all your own,
And paths the soul must tread alone;
Times when love cannot smooth the road
Nor friendship lift the heavy load,
But just to know you have a friend
Who will "stand by" until the end,
Whose sympathy through all endures,
Whose sympathy through all endures,
Whose warm handclasp is always yours-
It helps, someway, to pull you through,
Although there's nothing he can do.
And so with fervent heart you cry,
"God bless the friend who just "stands by'!"

B. Y. Williams

NEXT YEAR

"Next year, next year," we say,
When come to nought
Our plans and projects gay,
Our bright dreams, fraught

With brighter hopes, that shine
On that far rim
Of life's horizon line,
Where dreams lie dim

And touched with morning dew-
"Next year, next year";
And while we plan anew
The days grow sere.

The year flies by, and lo!
We've left behind
The glory and the glow
We hoped to find;

And raised again the clew
We meant to heed-
The cherished plan to do
Some cherished deed.

"Next year, next year!"
Oh! why not now,
Delaying soul, this year
Keep word and vow?

The theme for this yearbook centers on a popular parlor game stressing the knowledge of details— details of events, persons, activities, general knowledge and items of interest.

As Christians, God calls us to be aware of all that goes on around us. We should be hard at work learning the facts and information in all subject areas.

There is a higher calling, however. We need to be award of God's purposes and plans as He has revealed them. We are to be in the process of change — growth in the Lord Jesus Christ. Because of this we are led to a number of pursuits:

- *The pursuit of TRUTH— Wanting to know what God has revealed to us in His Word and His Works.*
- *The pursuit of EXCELLENCE - That we might have high goals and ideals for our learning and growing, that we might be all that God created us to be.*
- *The pursuit of MINISTRY - Being of service to God and those around us.*
- *The pursuit of LOVE - "But now abide faith, hope, love, these three; but the greatest of these is love." We are called to love God and then to love others.*

As we look back at the 1985-86 school year I hope we can all see how we have been in the pursuit of all that is excellent in life and learning. Facts are important, but faith is essential.

The 1985 PATRIOT staff has selected as it's theme "Patriot Pursuit", a takeoff on the popular trivia game. I'm sure most of you have tried your hand at it and like myself, you too are stumped more often than not!

However, in a larger sense, each day of our lives is spent in pursuit. What are we going after? What is the motivation that keeps us in the hunt?

There are some obvious goals that people are pursuing daily. Even a casual observation of the world around us makes clear what some of these ambitions are. They can be categorized in four areas: 1) Fortune (make money, get rich), 2) Fame (popularity), 3) Power (control, authority), 4) Pleasure (self-satisfying, indulgent). The problem with these pursuits is one can never get enough of them, so the acquiring process becomes futile; you never are satisfied.

God has told us repeatedly that our pursuits are not to be in vain; they should be after "things which make for peace." These qualities have lasting value and ultimately build up one another.

And now, for all you trivia buffs, "what one syllable word becomes a three syllable word by simply adding one letter to the end of the one syllable word?"

Bottom lf. Walter Mitty strikes out Pete Rose.

The 1985 Homecoming was, "When You Wish Upon A Star". Familiar alumni faces filled the stands as the Minutemen took on Capistrano Valley.

Before the Varsity game, 1985 Homecoming court was chauffered around the field in an elegant horse-drawn carriage. The crowd waited silently for the crowning of the queen Rosalind Roberts. The queen and her court were then escorted into the stands to watch the Varsity game.

The Minutemen provided an exciting game. The Minutemen scored a touchdown and the P.A.T. in the last 30 seconds, tying up the score. The tie was broken with a tie breaker. The Varsity team scored a fieldgoal to win the hame 13-10!

While halftime was filled in with the performance of the Band, Drill, and Tall Flags, the stands were filled with more than just cheering. Homecoming night brought back old memories and created many more as alumni filtered through the crowd, reminiscing with old friends.

The evening was rounded off with a reception in the San Marino gym.

The Varsity football team worked hard this season to bring respect back to Maranatha football. Their season record was 5-5, but their record was deceiving; this team was truly committed to being the best they could be.

Captains Erik Johnson, Darek Dohy, Mike Kaparos, Chin Seung, and John Shafer did an outstanding job in leading the team throughout the season, along with the support of the coaches.

Playing against schools in the Olympic League again, the football team faced tough competition. Next year MHS football will be put in the Alpha League. They will be competing against smaller schools and should have an excellent season!

All Varsity games were finished with the singing of the Alma Mater.

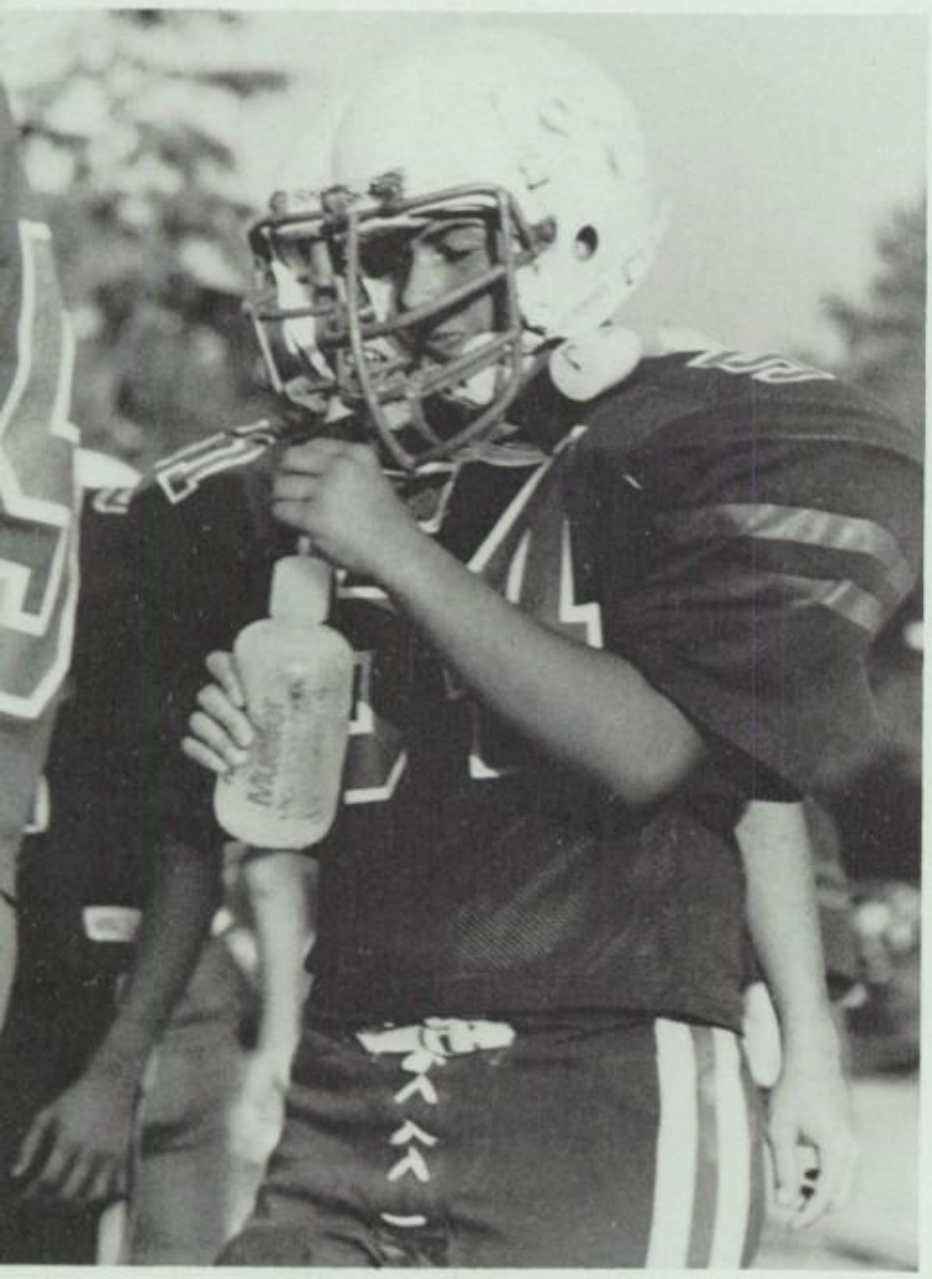
Made up of mostly freshmen, the Junior Varsity football team was inexperienced, but the 1985 season served as a time for gaining that experience.

Having been on the JV last year, John Kitterman, Jeff Kliewer, Mike Gabelman, and Jim Morwood were team leaders this season.

The freshmen learned basic skills of tackle football and improved. This quick team gained more yardage and the unity of team members grew immensley.

Another factor was the coaches. The coaches did a wonderful job in supporting and encouraging the players throughout the season.

Coach Doug Loisel summed up the season by saying, "We had a very inexperienced team, but we pulled together and really gave it the best we could. We were in a tough league and we should do better next year."



PLAYS WITH A LOT OF HEART

VARSITY GOES TO PLAYOFFS

The 1985 Varsity Volleyball team had a successful season, finishing third in their league and bringing home two tournament trophies. Their league record was 12-5.

The team believes one of the most important qualities they had was unity. Says Lisa Arden, "I think that the team was extremely unified. We were able to pull ourselves together in even the worst situations."

Another aspect of the varsity team was the dedication of Coach Brault. Cammi Silk pointed out, "Our coach was completely dedicated to us and gave us all that she could."

The team felt their most memorable game was against Whittier at home. Melissa Terzian felt the reason it stuck in her mind was, " . . . because I've never been so intense and wanted a game so bad. Everyone did!"

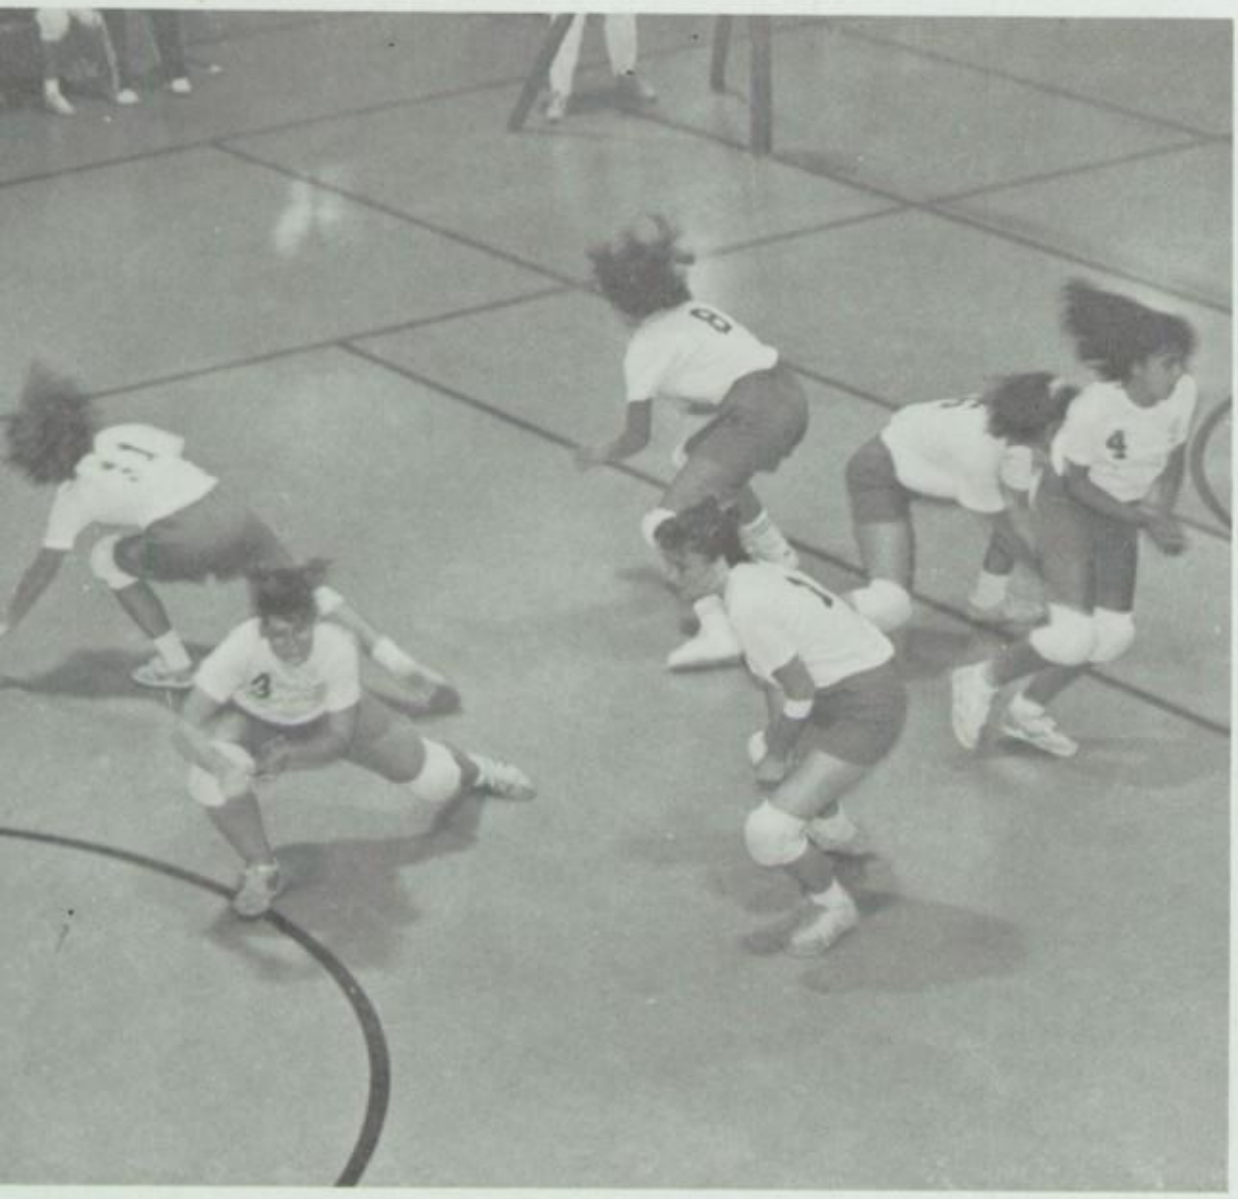
The team's overall closeness, unity, and ability to communicate brought them through an exciting '85 season!

(Group) Back (L to R): manager Michelle Anika, Leslie Williamson, Tami John, Diana Fahey. Middle (L to R): Lisa Salsman, Tawnya Schokman, Karen Hardin, Lisa Arden. Front (L to R): Julie Thurman, and Tanaia Nasir, Melissa Terzian, Cammi Silk.

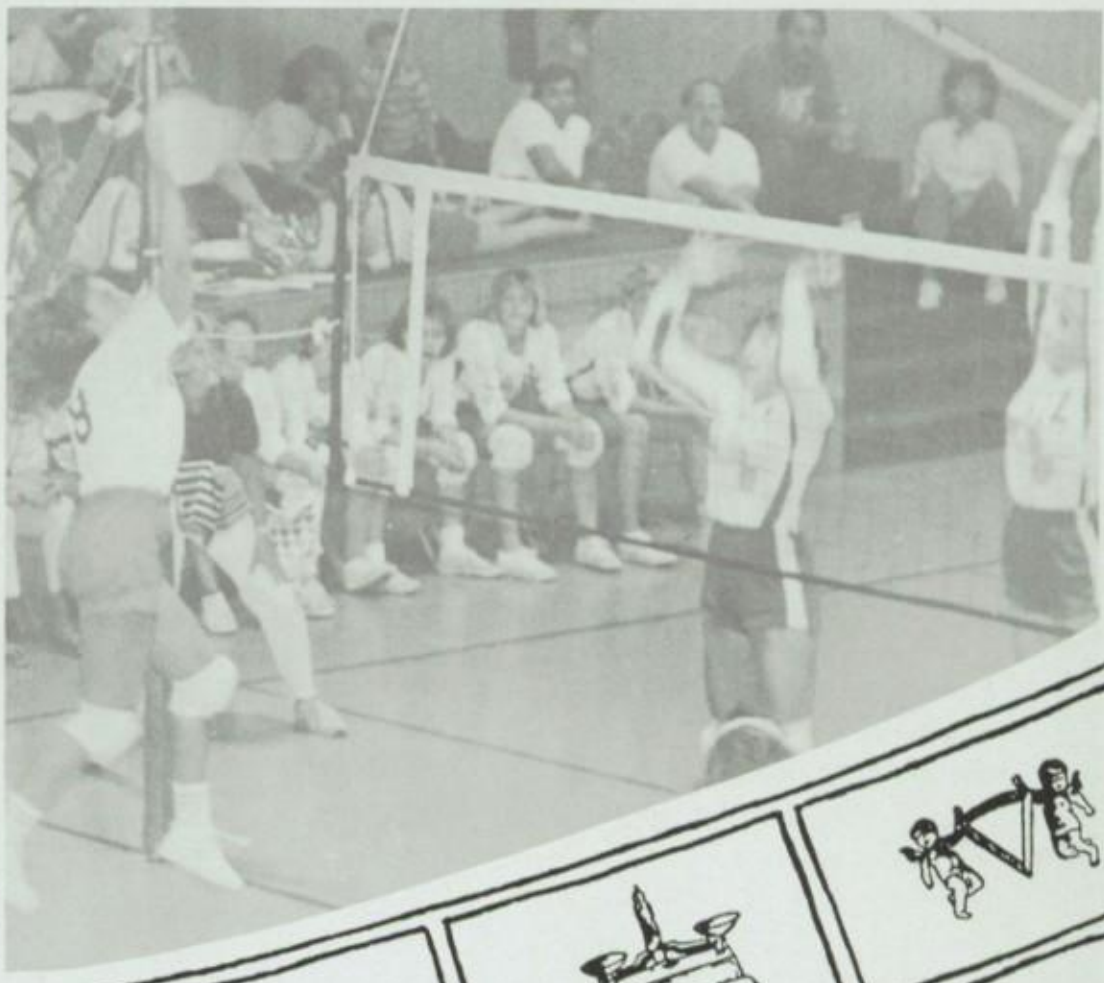
Btm L, Coach Brault and the girls had 'mental toughness' this season.

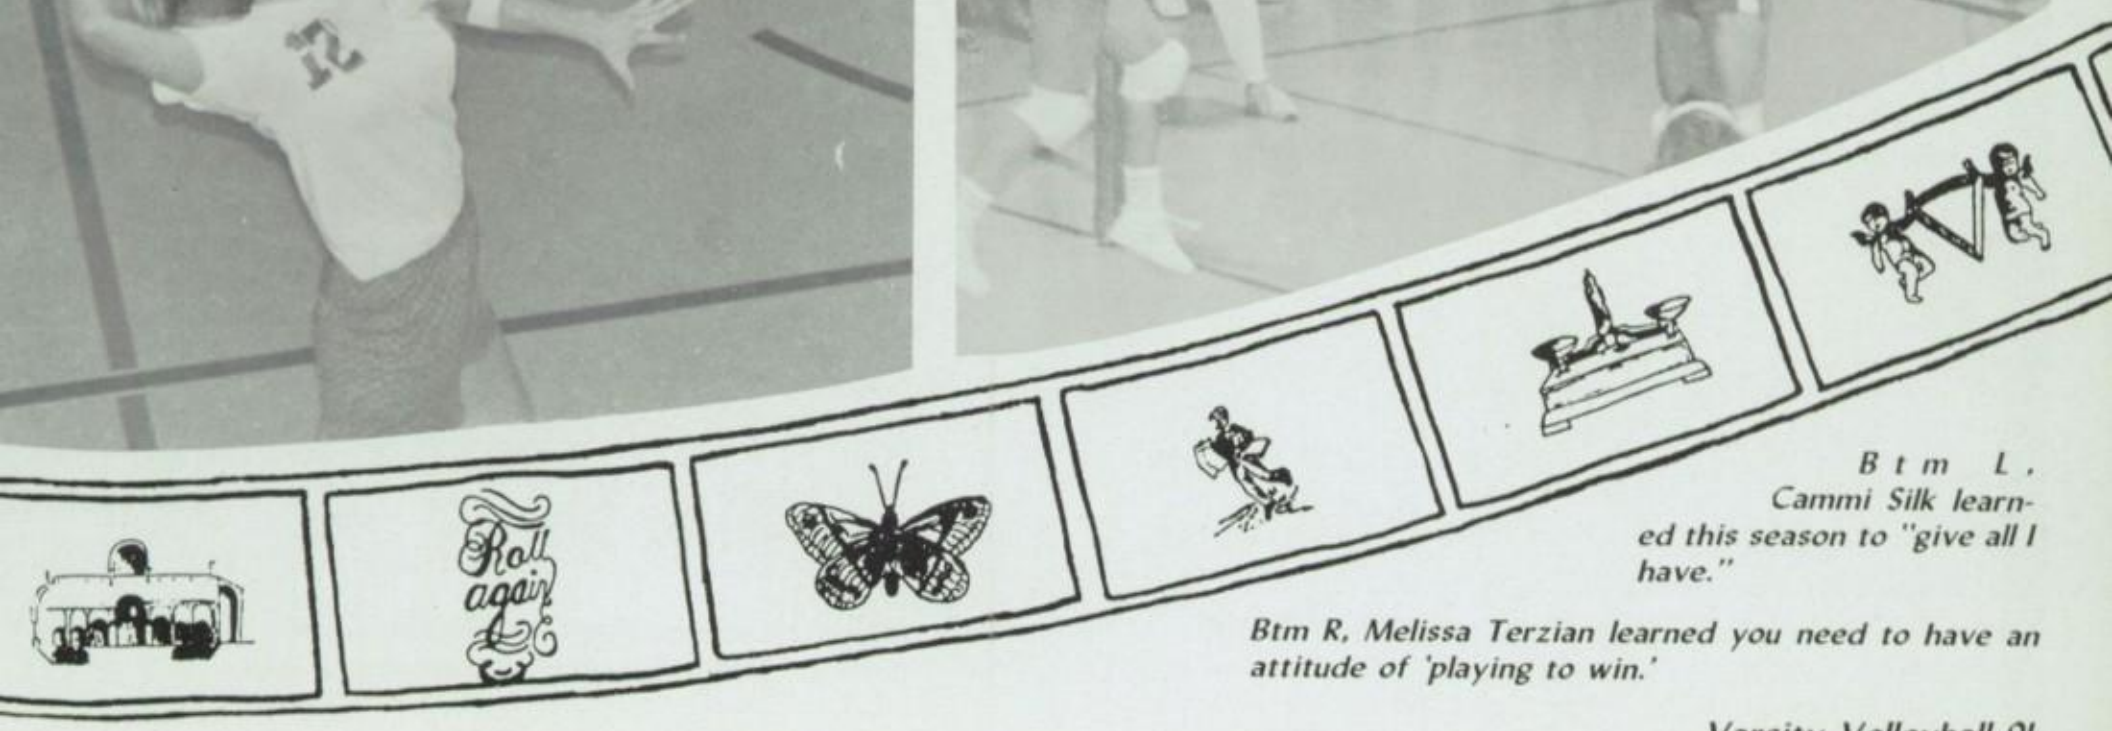
(Lisa Arden) This season taught Lisa Arden that unity is not only important on an athletic team but in daily life, too.

After a quick huddle, the first string dives and "rolls' into their positions to begin the match.



Tami Johnson believes this season taught the team to communicate better.





B t m L , Cammi Silk learned this season to "give all I have."

Btm R, Melissa Terzian learned you need to have an attitude of 'playing to win.'

Back L to R: Manager Esther Veenendaal, Shannon Burruss, Jenny Seyfert, Susan Rogers, Debbie Hardin, Coach Robin Cook. Front L to R: Corinne Fogarty, Jenny Werner, Sara Cass, Jeanette Robles-Gil, Wendy Sibbet.

Top L: The energetic Jeanette Robles-Gil plants and delivers another accurate set.

The J.V. volleyball team had a slow start, but ended the season with an 8-6 league record. Coach Robin Cook said, "Even though our record didn't show it, the girls played very well."

The team felt their strongest points were encouragement, unity, and that they played well together. Wendy Sibbet said, "We always encouraged everyone and made everyone feel important."

The team as a whole felt that their most memorable game was the home game against Ontario Christian. Even though they lost, they felt they played their best. Shannon Burrus: "For me and the team the most memorable was the Ontario game because we played to the best of our ability ... we played tough."

The team felt that the coaches did a great job. Suzy Berry summed it up when she said. "I love them all."

3. Shannon Burrus thinks one of the teams strongest points was, "not playing down to the other team's ability." 4. "We played our best against the harder teams," commented Corinne Fogarty.

1. Debbie Hardin said this season taught her that: "We need God's help to play well." 2. "Everyone worked together as a team," commented Susan Rogers.

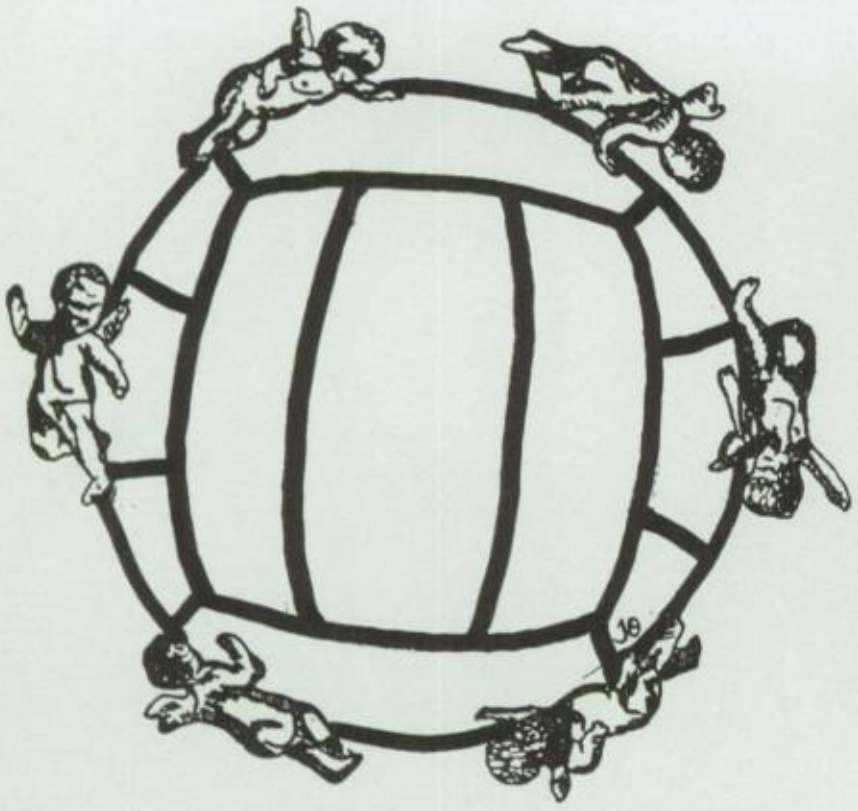
RECORDS A STRONG FINISH

JV Volleyball 93



Angela Baum commented that all the team members were great inspirations to each other.

Front row L to R: Heidi Nelms, Tristan Verna, Angela Baum, Gina Leoni. 2nd row: Manager Krissie Salazar, Stacey Rutledge, Nadene Cadena. 3rd row: Tori Serapion, Shelly Holeman. Back row: Becky Cary, Stephanie Honsacker.

Tristan Verna serves the ball. According to Coach Fenderson this team had the best serves in the league.

Coach Fenderson describes this play as, " . . . a floating Tristan set!"

The 1985 Freshman Volleyball team placed 3rd in league this year and had an overall record of 11-7.

Many people on the team felt their teamwork and unity were their strongest points. Stephanie Honsacker said, "I think the strongest points were that when things were going from bad to worse, we could pull ourselves up as a team." They also felt they learned a lot this year, Says Shelly Holeman, "I learned to speak out and that if you work as a team, you accomplish more."

Mr. Fenderson had many goals for the Frosh team this year, one of them being, "That the girls would feel confident in their ability on the court, especially in pressure situations."

The girls on the team had many good things to say about Mr. Fenderson. Says, Stacey Rutledge, "I think Fenderson was a real help and encouragement and was there when we needed a new coach."

The team finished on a strong note. They took home a 3rd place trophy from the Pasadena Poly tournament.

Spirit Week was set up by the Cheerleaders to get everyone involved. Daily activities were planned for the classes to earn points, while students got to show off their creativity through their outfits. Monday was Sports Day. People dressed as their favorite sports figure (or in Diana Fahey's case, favorite object: a volleyball!) Tuesday, the campus was filled with color as students dressed for Clash Day. On Wednesday, students came as famous couples. Dorothy and the Scarecrow, Frankenstein and his bride, and Alfalfa and Spanky were just a few pairs we saw. Thursday was class color day. Seniors wore white, Juniors red, Sophomores blue, and Freshmen dressed in yellow. Friday, the final day, was Disney Day. Characters, ride-operators and many tourists showed up to school. The day climaxed with games and a big Pep Ralley to get people excited for Homecoming. This was one week definitely filled with Spirit!

The annual Jog-a-thon took place on Nov 23 and as usual brought in lots of money for the school. Not only did the runners raise money, but booths were set up fundraisers for specific classes or clubs. Garret Weeks took on the job of playing six games of chess with six different people at the same time! The French class had a mouth-watering assortment of homemade French pastries and baked goods. But the booth attracting the most attention was the dunking booth. Cammi Silk and Mr. Clausen were two people who got dunked that day.

A special thanks goes to Mr. Mock who set up and organized the entire Jog-a-thon.

SPIRITUAL EMPHASIS WEEK

During fall a week was set aside as a time to focus on worship and our relationship with God.

That week we were priviledged to hear Brian Anderson, Youth Pastor at Sierra Madre Congregational Church. On Wednesday Mr. Spoelstra gave the message focusing on our relationship to God.

Brian did an excellent job of developing the theme of "Relationships'. He spoke on three relationships: ours with God, with our parents, and with our peer groups. Many times he evoked laughter with his illustrations and cleverly used them to make his point.

Brian stressed that our God is caring and capable and we need to put our life in His hands. About parents, he told us to be patient with them: "They're still practicing being parents." Thursday's message was strong; Brian challenged us to "take a stand for Christ and make it cool to be a Christian."

With this, Spiritual Emphasis Week ended, but the knowledge and understanding gained will stay with us.

HARMONY HERD AROUND THE WORLD

For the seventh year, MHS students decorated a float for the Annual Tournament of Roses Parade. The entry by Computerland was not actually one float but eighteen decorated elephants, each with a flag of a different nation on their sides. As they moved along the parade route carrying various instruments, taped music played to make the instrument-playing seem realistic.

On December 7, students showed up to the construction building to apply the dry materials. From December 26 through New Year's Eve, two shifts a day finished up the float with the fresh flowers. Mrs. Johnson is the supervisor who organized our annual float building project.

All of the hard work paid off: The Computerland entry won the Mayor's Trophy besides bringing in money for the school!

This year's Varsity basketball team was recognized as one having a lot of talented players. One of Coach Newkirk's goals for the season was to put that talent together and work as a team. However, the team suffered from injuries to key players and was never able to "get it together" enough to have a winning season.

But in spite of these problems, the team members felt they had a lot of successes. They played an exciting style of basketball this year, which made the games enjoyable to watch in spite of some losses.

This year's J.V. team worked on developing their individual skills. Coach Rankin worked especially to help them develop a concept of team basketball. Says Coach Rankin, "They are not 5 individuals out there doing their own thing, but they are one team aware of each other at all times." He has stressed mental alertness on the court this year. They improved through the season, after a slow start, but came together and worked well.

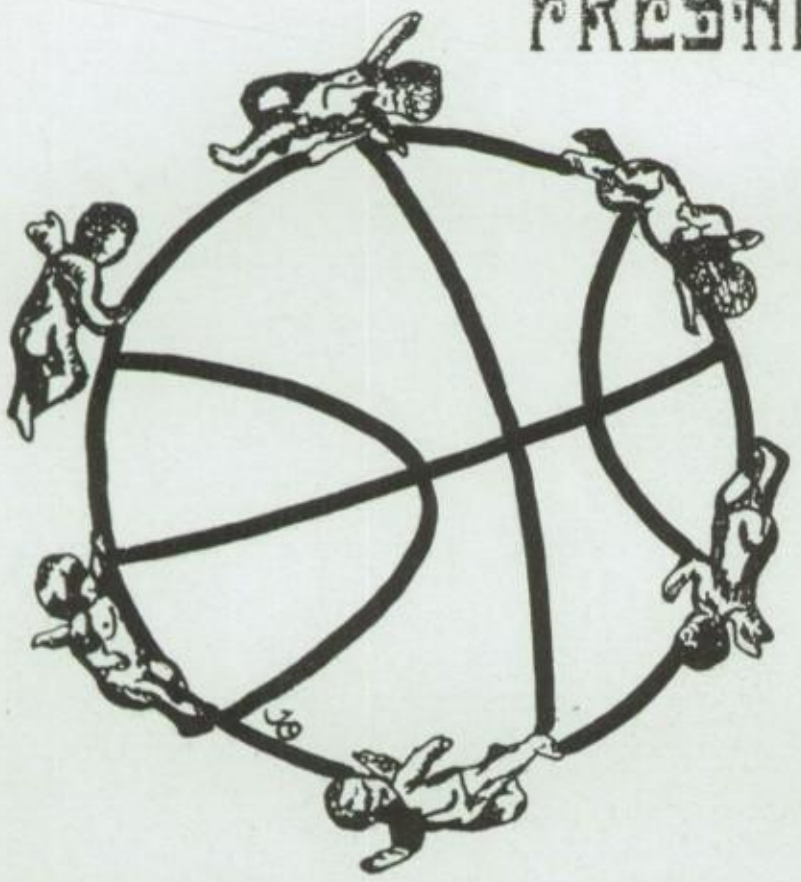
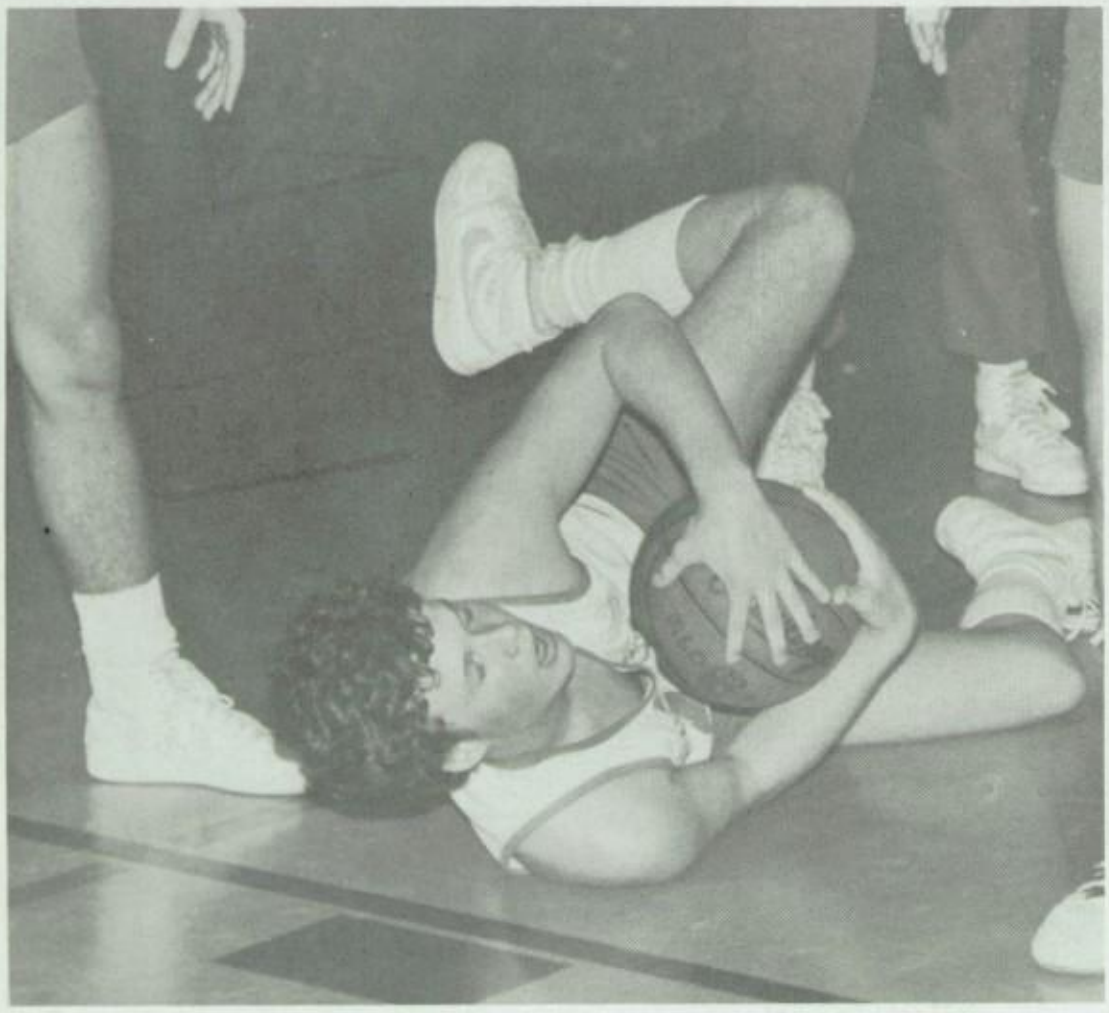
BUILDS FOR THE FUTURE

FRESHMEN BASKETBALL





The Freshmen Basketball team began their season with much potential and worked all season long to bring it out. They made improvements in their offense, defense, and attitudes. This was shown by the fact that in the beginning of the season, they lost to teams that weren't as talented as they were. But as the season went on they improved greatly and began working up to their potential. Good job Frosh team!

They put a lot of effort into improving their basketball skills. The team's main goals were to gain experience throughout the season and to improve their shooting percentage. The team showed a willingness to work hard and never gave up. As they encouraged one another and worked together as a team, they became closely unified. Coach Cronquist stated, "The qualities of working hard, never giving up, and caring for each other will carry over to future seasons."

With the exception of a few players, the Junior Varsity team began the season with very little experience. But this did not stop the girls from working hard and having a great season. According to Coach Hasemeyer, "They started out very weak in skills and knowledge of the game and had very little experience. But much improvement was made from game to game." Throughout the season, Mrs. Hasemeyer encouraged the girls to do their best in every game and to glorify God with their actions

When asked what he enjoyed most about soccer, Gary Walker answered, "I enjoy being captain, scoring goals and beating other schools."

This team was a unified one. Said Bob Chappell, "Our good points were good shooting, a lot of speed, and we got along well."

After choosing the theme of "Trivial Pursuit", the yearbook staff spent summer vacation preparing to make the 1986 Patriot a success. Although they worked hard, the yearbook staff did have some fun. Late night deadlines caused staff members to practically go delirious, (part of the reason for some of the stupid captions), but the pages were energetically turned in. We sincerely hope you enjoy the 1986 Patriot.

1. Phone calls. Layout. Letters. More phone calls. To get the 'ads' section together took the steady combined effort of Sergio, Juli, Kelly, and Eddie. 2. Without hours spent on art, a yearbook loses that added personal touch. Trent and Kelly put their creativity and effort to some of the books' fine tuning. 3. "Where's the white-out?" became the key phrase for these copy-writers. Questionnaires, writing, typing, and layout occupied the lives of these dedicated people: Anita, Renee, Kristen H., and Kristen K. 4. Helping create the right atmosphere for the yearbook was partly Garret Weeks' responsibility. "Mr. Trivia" spent many demanding yet creative hours compiling the Maranatha trivia scattered throughout the book. 5. Most of the time and effort put into a yearbook goes into the actual layout. This layout crew spent hours and mental health setting up a creative yearbook: Sergio, Landi, Tammy, Kristen, Renee, Wendy, Eddie.

WHICH CLUB HAS AN ANNUAL CLOSE ENCOUNTER WITH SHAVING CREAM?

The mix on this year's Student Council reflected abilities and talents from all areas: athletics, music, academics, and other special interests. But perhaps the greatest quality they possessed was that of service. Hours of organizing, phone calls, meetings, and drumming up support go into each activity.

But it takes teamwork to succeed. After a Fall retreat, the Council Put themselves together to plow through the year. From class parties and banquets to the Computerland Rose Float decorations, the Council busied themselves with preparation, putting in overtime hours and much energy.

CSF

CSF is an organization consisting of students with a 3.8 GPA or above. Ten points of service are required from them each semester. This gives them a chance to tutor other students or to do work outside of school. CSF takes trips to Disneyland, has movie and pizza nights, and they plan the Blood Drive. These students are honored to be a part of this organization.

Dave's bubbly personality goes with his many talents. Jill, refined and talented, is a real servant.

Winston is creative and has an infectious spirit. Laura, gentle and outgoing, applies herself well.

This year two outstanding students from each grade were chosen by the faculty. The selection was based on their scholastic rating or as having the highest grades in their class. Their spiritual commitment was also evaluated. They were described as having 'glad' hearts and a willingness to serve God in all that they do. As their class conduct was evaluated, they were said to have excellent qualities. These students are unselfish and are willing to serve others. They are thoughtful and have cooperative spirits. These students honored, fully deserve the recognition.

CHRIS ROSEBROUGH IS THE LEADER OF WHAT GROUP?

Discipleship Core is a group that meets regularly to pray, discuss specific topics, and read the Bible. They learn a lot about Christ and how He directs their lives. Another aspect of this group is the fun they have at their potlucks and meetings. Norma Travieso commented, "I enjoy the singing, games, and icebreakers and especially the fellowship! I'll never forget how much Discipleship Core has touched my life!"

FOR WHAT CLUB IS ERIC LINDQUIST THE STAGE MANAGER FOR?

Patriot

This year a new club has been added for those students who enjoy drama. The name is "His Majesty's Players". In order to become a part of this club, the student must fill out an application, have a video-taped interview watched by the rest of the club and then be voted in by a two-thirds majority. After that, they are taught and trained for a period of 30 hours excluding the time in Drama class. This club had the opportunity to perform in Chapel and at other places outside of school.

WHAT ORGANIZATION SPENDS $225 PER PUBLICATION?

The Messenger staff put in a lot of work this year to produce an interesting newspaper full of MHS facts. The Messenger came out about every 1 ½ months and informed students about MHS sports, club activities, Spirit Week results, etc. Most of the articles were written by the Honors Composition classes. However, much credit goes to the staff for pulling together everything into organized layout pages. They added creative puzzles, ridiculous jokes', and had mystery writer Bernie Horowitz which made the paper more interesting. Garret Weeks also made sure that there was always a chess quiz. Never having missed a deadline, the newspaper staff continually produced a great Messenger.

Mr. Robb replaced Hungarian-bound Miss Winterberg as director of this year's choir. The choir performed for groups like World Vision and Pasadena Christian School. Of course, they performed for the school in chapel and the Spring and Christmas concerts.

In the Spring they participated in the ACSI Musicale with other Christian schools from all over California. They all performed separately and together. The Musicale helped promote unity and everyone made new friends.

The band provided entertainment during the half-time of football games and performed at pep rallies to help boost the school spirit. Thanks for all of your hard work!

The Varsity Cheerleading Squad put in many hours this year to help boost the spirit of our school. According to Jill Blomberg, captain of the squad during basketball season, "Cheer demands many tedious hours of work sometimes, but the results make our efforts and time worth while." The squad planned pep rallies, Spirit Week, Big Brother/Big Sister party, and prepared special treats for the different sports teams. A lot of credit goes to these girls for all their hard work and effort!!

OF ALL THE ORGANIZATIONS, WHICH GROUP HAS THE LEAST NUMBER OF PEOPLE?

Short Flags became a stronger part of the pep squad this year. They helped plan many of the exciting pep rallies and activities that we have had this year.

Heather McClure commented, "We put a lot of work into making our routines look difficult, yet smooth and together."

Their unity was very strong also. In order to let out their frustrations and pressures they had "crumbing sessions." Comments Diane Loesch, "This may sound cruel, but it really helps us work together as a team."

Trisha Toro said, "Being on Flag is fun. I would like to tell girls to try out. If chosen for the squad, they'd be really glad they did!"

WHAT TEAM IS COMPOSED OF ONE SOPHOMORE AND 5 JUNIORS?

The Junior Varsity cheer squad put in a lot of time and effort, along with Varsity, in planning Spirit Week, Pep rallies, the Big Brother/Big Sister rally and the Homecoming Barbecue. Throughout the summer they practiced twice a week at cheer camps and became a very close squad. Desi Zomorano commented, "We've gotten close and I'm so glad I got the chance to meet them!" Barbara Allen stressed the fact the entire squad (except for one) is in the same grade and she thinks that is one reason for their closeness. Thank you, J.V. for all of your work and planning!

WHAT GROUP OF 6 GIRLS WERE PICKED ON NOVEMBER 26 AT 4:30 P.M. AND IS SUPERVISED BY MRS. HARTER?

This year six freshmen girls were chosen for their ability and grades, to cheer for the Frosh Basketball team. Besides encouraging the team with their cheers, they have to work hard to create new chants. Being a Frosh cheerleader gives them experience and maybe a better chance at the V. squad next year!

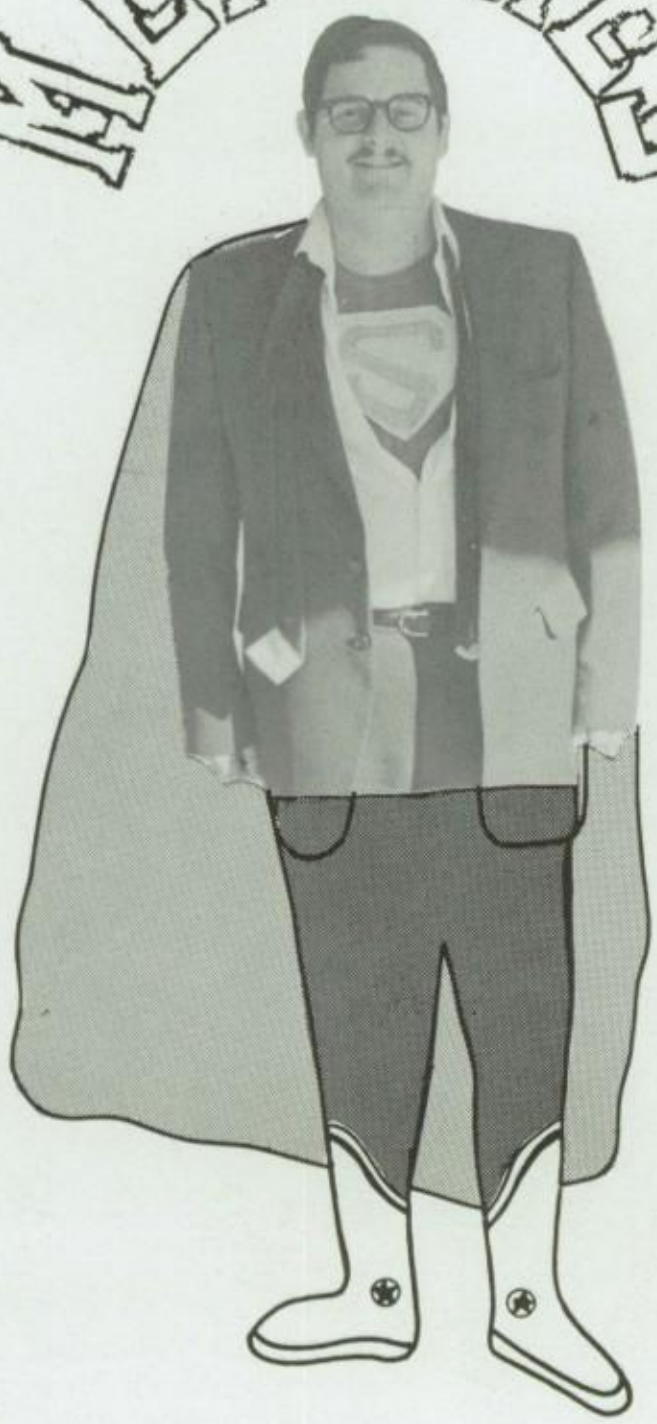
MEMORIES



As wanna-be superman — Mr. Houston - winds down, we wind down the 1985-86 year by reminiscing the fun times we've had together. During Spirit Week we had Miami Vice holding up the Hare Krishnas. Adam Graham as Crockett and Manny Fitten as Tubbs. The Hare Krishnas were played by Pam Anderson and Michele McAuley. Next we have E.T. and Elliot, otherwise know as Mrs. Harter and Marcel Becker. Hey, Mr. Phillips, now we really know what goes on in the back of your mind. And is Mr. Rankin really testing the wind speed?

It seems like yesterday you were just starting school. We have seen you change from shy little "twins" into beautiful and individual young ladies. Although you both contain warmth, caring & sensitivity you can be as different as night and day or so alike its like having "instant replay". As the saying goes we've had twice the noise, but twice the joys, and through it all we have always been very proud of you both. We love you and wish you happiness and luck in all you endeavor.

May God Bless you both always,

YOU'RE A WINNER! THE PIE IS COMPLETE. NOW YOU HAVE ACCOMPLISHED YOUR GOAL!

Hi! I hope you enjoy the book and all the memories that come with it. I also hope that all of you take to heart the real message behind this year's theme. I Corinthians 9:24-27 says that we should run the race (or play the game) to win. And Hebrews 12:1 says that sin keeps us from being winners. However Jesus endured the pain so that we would not get tired, give up, and lose the game. If we make the right choice Jesus will make us winners!

Dear Lisa,

How's everything at PHS? I'm sure it's different without your bubbly personality in health, (which was previously Dr. Ed's). Even though I didn't know you that well, I could tell that you'd make a lot of friends at your new school, because you did when you first came here. I know that you'll have a super-fun summer and remember to put God first in everything you do!

Love, Wendy
(sister)

P.S. If you want to call, don't be a stranger. 798-9746

Dear Lisa,

Remember when I was a Freshman and you were a Senior? I'll miss you. Good luck to you in the future. I wish you the best of luck in everything you do. Remember to put God first in your life and you'll do fine. Have a super summer and write to me when you get a chance. Don't forget me.

Love in Christ,
Tabrisa
